The Annual CQ Get Together of old boys & girls from the Water Resources [and other names] has been booked at the Spinnaker Room at the Keppel Bay Sailing Club in Yeppoon from 3PM on Thursday 12th October 2017. Details will be provided in due course but the arrangements will essentially be the same as usual. This is an early alert so participants can factor in this timeline.

I will be advising the Retirees Assn in Brisbane of the event & inviting as many of their members to attend as possible
