

## ANNUAL CENTRAL QUEENSLAND GET TOGETHER

The Annual Central Queensland Get Together of past employees of the Water Resources Commission will take place again this year on Thursday the 20th October at the Keppel Bay Sailing Club, Yeppoon. Arrangements for the day are the same as last year with attendees gathering at the Spinnaker Room from 3PM. Drinks can be purchased from the bar & finger food will be provided for \$5 per head for those interested. For Keppel Bay Sailing Club members, a courtesy bus is available.

For those wishing to stay on after the event, a buffet meal is available in the Bistro from 6PM & the gaming room is open for those wishing to test their luck.

You and your spouse/partner are invited to attend & share the company of old work colleagues for a few hours. I will be asking the Secretary of the Brisbane based Retirees Assosiation to circulate this to their members on the chance some colleagues from that part of the world have the opportunity to visit our area on that day.

If you intend to participate I would ask that you email me of your intentions by Friday 14th October so that appropriate arrangements for a reserved area can be put in place & finger food can be ordered.

There are some people who do not have email & Mick Williams and I will be contacting them separately. However if you are concerned I have omitted anyone then just contact me & I will extend the invitation to them.

I'm sure we'll have a good afternoon and I look forward to seeing you there.
