

100th Anniversary Celebrations
Passage of Irrigation Act of 1922

Peoples Award

I've been everywhere, man!

The Water Resources Retirees Association
 wishes it to be known that in 2022

Fred Bloggs

travelled far-and-wide across Queensland to catch up with present and past colleagues from the Irrigation and Water Supply Commission and/or its many successors. Fred has made a significant contribution to the success of these celebrations and we sincerely thank him for his efforts.
